Manuscript Title:

I/We certify that I/We have participated sufficiently in the conception and design of this work and the analysis of the data. I/We believe the manuscript represents valid work. I/We have reviewed the final version of the manuscript and approve it for publication.

I/we believe that the manuscript represents valid work. Neither this manuscript nor one with substantially similar content under my/our authorship has been published or is being considered for publication elsewhere. I/we certify that all the data collected during the study is presented in this manuscript and no data from the study has been or will be published separately. I/we attest that, if requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their assignees.

I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright ownership, including any and all rights incidental thereto, exclusively to the **International Journal of PharmaO₂** in the event that such work is published by the **International Journal of PharmaO₂**. The **International Journal of PharmaO₂** also own the work, including the right to grant permission to republish the article in whole or in part, with or without fee and the right to republish the work in a collection of articles in any other mechanical or electronic format. We give the rights to the corresponding author to make necessary changes as per the request of the journal, do the rest of the correspondence on our behalf and he/she will act as the guarantor for the manuscript on our behalf.

All persons who have made substantial contributions to the work reported in the manuscript, but who are not contributors, are named in the Acknowledgment and have given me/us their written permission to be named. If I/we do not include an Acknowledgment that means I/we have not received substantial contributions from non-contributors and no contributor has been omitted.

I/We lastly, confirm that this article has not been published elsewhere, nor is it under consideration by any other publisher.
